Dear Terry,

Re Paulette Cooper.

We need to know the following, as she is an unhanded attacker of Scientology.

- 1 Why did Paulette start attacking SCN?
- 2 When did she start writing her books?
- 3 How did she meet Alan Levy?
- 4 How did she meet Kaufman?
- 5 Does she know B. Green?
- 6 How did she meet Michael Sanders?
- 7 Where did she get the data in chapter 21 of her books?
- 8 Who else is Paulette connected to?
- 9 How does she find out about all these Sps etc.?

PART OF # 14394..

Ex. 32

She is far too ac<sup>2</sup>fair with all our sps, IBs  
etc.

10 Is someone running her? If so, who?

11 She recommends blackmail & threats to your  
agent, & she had some contacts with the  
Govt & Govt files. Who are all her contacts?

12 The library in D.C. has a copy of the Melbourne  
Inquiry report. Paulette recommends this.  
Why is the copy still there? Please get it  
removed.

13 ~~In the book.~~  
She has done an excellent smear job on  
Scientology and we have no data with which  
to handle her!

Love  
Gene
